Note:

- All teachers must take tutorials for different groups of students. Daily attendance should carry portion taught.
- Assignments should be given as required. Students are advised to write date on each class notes written by them.
- Students should be encouraged to prepare and give presentations on selected topics.
- Viva for each practical should be taken during practical. Observations and calculations should be checked and marks should be allotted for each practical. Students should be informed about next practical well in advance and they must be allowed for performing the practical's only if they come prepared with principle and theory. Observations should always be written direct in practical records.
- Time table should be followed strictly.
- Students may approach to their class teachers with written applications and supporting documents in case they want to avail long leaves for more than three days.
- Students will be eligible for the examinations and campus recruitments only if they fulfill attendance criteria as per PCI (80%).
