

Truba Institute of Pharmacy

Gender Sensitization cell

Gender sensitization cell aims to establish "Gender Studies" for students to demonstrate working knowledge of the field of gender studies and understand key theoretical approaches in the study of gender. For this purpose college introduced a gender sensitization cell, as per the 'SAKSHAM' guidelines. The institution is well prepared to handle and respond to gender sensitive issues and provide an environment where men and women can work together with the sense of personal security and dignity. The cell engrosses the awareness about gender issues and working towards creating an enabling environment of gender justice.

It should be obvious that the term Gender Sensitization is extremely broad in scope and envelop and gives direction to problems related to combating Sexual Harassment more specifically. Gender Sensitization implies accepting the basic rights associated with Gender equality among all persons, and non-discrimination towards those whose gender identity places them in a situation of disadvantage or vulnerability.

Main Objectives of Gender Sensitization Cell are:

- 1 To create awareness programmes through lectures, seminars, talks, workshops, debates, showing films and documentaries etc.
- 2 To make the young boys and girls gender sensitive and create positive values that supports the girls and their rights.
- 3 To provide overall guidance to the peer group in integrating /mainstreaming gender in all activities of the Institution in the form of focused group discussion debates, poster making competition etc.
- 4 To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the experiences of women and men in society.
- 5 To generate the awareness in regard to equality in law, social system and democratic activities.

Committee for Gender Sensitization Cell
